

June 10, 2024

Dear Billings Township Resident,

GFL Environmental is thrilled for the opportunity to be the waste service provider for Billings Township starting July 1, 2024. We would formally like to introduce ourselves and welcome you to our family. We are a company that has serviced Michigan for over 40 years. While our business has grown and evolved, our commitment to providing excellent customer service has remained the same. We are excited to extend our services to you!

We will be delivering new GFL totes to your place of residence starting the week of June 10th, 2024. Your current provider will service the old totes until our first pick up on July 5th. We will only service your new GFL totes. **Please DO NOT continue to use your old providers totes after July 4th.** Your 1st pick up will be delayed by one day due to the July 4th Holiday. Pick up will be on Friday July 5th.

To ensure timely service, please have your totes curbside the night before or by 6am the day of service. As a Billings Township resident, your service will include:

- Delivery of a 96 gallon Trash Tote (Black with Green lid)
 - o Weekly Trash pickup on Thursdays starting, the first week of July 2024
- Delivery of a 96 gallon Recycle Tote (Green with Black lid)
 - o Every other week Recycle Pick up on Thursdays starting the 2nd week of July 2024
- 1 Large Item Removal Curbside on a weekly basis

Please see the Calendar on the back of this letter for your pick up schedule.

American Waste/GFL Environmental prides itself on customer service and we look forward to extending excellent service to Billings Township residents beginning July 2024. For further questions regarding your service with American Waste/GFL Environmental you can reach our local office at (989)588-6000.
